

ASSISTED LIVING

SERVICES AND AMENITIES

The Seasons, Eastmont's primary assisted living facility, specializes in delivering state-of-the-art, personalized care which allows residents to continue living a fulfilling life. Our mission is simply this: to provide care which enables people to maintain their dignity, privacy and freedom of choice, while receiving assistance when needed. The Seasons residents – and their families – enjoy the peace of mind and security that comes with having a licensed professional nurse on campus 24 hours a day. And with above average tenure among our team members, residents can rest assured they are receiving the highest quality care from experienced professionals.

To enhance the wellness and social life of all our Assisted Living residents, The Seasons embraces a highly successful activity-driven model. At our community, you can maintain your individuality yet take advantage of a variety of activities and programs that inspire creativity, foster fellowship, and provide opportunities that promote wellness, fitness and lifelong learning.
