Dr. Geoffrey Baird

Dr. Baird is the interim chair of the Department of Laboratory Medicine and Pathology at the University of Washington School of Medicine. He is a board-certified anatomic and clinical pathologist as well as clinical chemist. He has oversight of the UW Medicine Clinical Laboratories, which to date have performed over 1.8 million RT-PCR tests for COVID-19.

Emily Hanson, MD

Dr. Emily Hanson is a general internist with a focus in geriatric medicine. She currently serves as the medical director for Skyline Skilled Nursing Facility and Parkshore Skilled Nursing Facility. She cares for patients in both these communities and enjoys building relationships with patients to help them navigate complex health issues in their final years. She attended medical school at New York University and then completed Internal Medicine Residency training at University of Washington.

Teri Ferreira, RPH

Teri joined Consonus in 2007 as General Manager of Washington Pharmacy Services. Now as Regional Director of Operations for Washington and Oregon, her responsibilities include the collaborative execution of patient safety-driven policies and procedures that utilize lean management principles. She also participates in client business reviews, using operational and clinical metrics to ensure that Consonus is meeting the needs of the residents it serves. Teri graduate with a Bachelor of Pharmacy degree from Washington State University.
