June Birthstone: Pearl

Although it is not a stone, the birthstone for the month of June is the pearl. Ancient civilizations had many stories to explain the origin of June's birthstone. The Greek belief that pearls were the hardened tears of joy that the goddess of love shook from her eyes as she was born from the sea.

Quote of the month:

“The heart of a father is the masterpiece of nature.” - Antoine François Prévost

Father's Day: Sunday, June 20th

The nation's first Father's Day was celebrated on June 19th, 1910, in the state of Washington. However, it was not until 1972, 58 years later President Woodrow Wilson made Mother's Day official - that the day honoring fathers became a nationwide holiday in the United States.
